

REQUEST TO ATTEND THE IP UTILITY SAFETY CONFERENCE & EXPO

Dear _____,

I am requesting funding to attend the **iP Utility Safety Conference & Expo** in San Diego, CA from November 7-9, 2023. This event is the utility industry's BEST event for utility safety, fleet and operations professionals. The conference features more than 30 educational sessions and 60+ exhibits all related to utility safety.

The education sessions and exhibits focus on many of the key issues we're experiencing in our company and offer the following education topics I know will be of benefit to us:

- Hazard Identification
- Human Performance
- Incident Prevention
- Leadership
- Standards & Operations
- **And more!**

I am particularly interested in attending the following topics/sessions:

- 1) _____ 3) _____
2) _____ 4) _____

I am confident this conference will provide networking opportunities with our customers, peers, and industry experts and that we will receive a high return on the investment by implementing proven strategies, practices, and work methods learned at the conference. The conference also provides a unique opportunity to gain insight on any issues or challenges we are currently facing.

The full price for the conference is \$1,299 for non-members plus hotel and travel expenses, but can be reduced to \$1,099 if I become a member of the Utility Safety & Ops Leadership Network (USOLN) for \$155.

Sincerely,
